**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1, 3-9, 11-13, 15, 17-22, 24-29 and 31-33 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:
3. Referring to claim 1, the prior art of record does not anticipate, teach, or suggest a third data structure embodied on a tangible computer readable medium coupled to the second data structure and configured to store a plurality of status flags, wherein the plurality of status flags include: a first type packet pointer head position indication; a first type packet pointer tail position indication; an overall head pointer indication; and an overall tail pointer indication.
4. Note that independent claims 9, 15, 21-22 and 28-29 contain the corresponding limitations of claim 1 as shown above; therefore, they are allowed using the same reasoning accordingly.
5. Furthermore, all claims depending from said independent claims as shown above are also allowed for the same reasons as applied to the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to

avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
